

# High Mead House

A Beautiful, Family-Run B&B in The Heart of Thomas Hardy Country

---

Situated just 5 miles from the historic county town of Dorchester in the village of Crossways, High Mead is ideally situated for your needs. Whether a short break in the heart of the stunning countryside that Dorset is famous for, or an overnight stay to visit one of the many local attractions, such as the world-famous Monkey World, or the fantastic Tank Museum at Bovington. Our central but peaceful location makes us the perfect place to base yourself to explore all that Dorset has to offer or to attend local events.

Despite our beautiful rural location, High Mead is easy accessible by both road and rail (we are walking distance from Moreton Station). We are within easy reach of Dorchester, Weymouth, Wareham, Swanage and Lyme Regis, as well as many beautiful Dorset villages including Puddletown and Milton Abbas.

Local attractions include National Trust properties such as Clouds Hill (Lawrence of Arabia's cottage), Max Gate and Thomas Hardy's Cottage, Lulworth Castle, Abbotsbury Swannery and Sub-Topical Gardens and Corfe Castle.

High Mead House is a family run B&B that has been warmly welcoming guests for many years and who would be pleased to provide any information you may need about our facilities or the local area. Our rooms are spacious, comfortable and beautifully decorated.

We can accommodate families in our large family room, singles are available and children are welcomed. Ensuite rooms are available and all rooms have tea and coffee facilities, hairdryers and are non-smoking, looking forward to seeing you.
